

Rolls-Royce Engines: 2017 Supplier Awards

AeroCision Named “Supplier of the Year”

Singapore

February 23, 2017

AeroCision, LLC, of Chester, CT USA and Bangalore, India, manufacturer of complex rings, impellers and casings, was presented with the Rolls-Royce Aerospace Division’s **“Supplier of the Year”** award at Rolls-Royce’s **Global Supplier Conference 2017** in Singapore. Mike Mosley, Rolls-Royce’s Director of Civil Operations presented the award to AeroCision’s CEO Andrew Gibson. Mr. Mosley, cited, among other things, AeroCision’s highest worldwide Quality and Delivery supplier rating within Rolls-Royce’s global supply chain, and, AeroCision’s ability to develop “Fast Make” complex products.

Mr. Gibson accepted the award on behalf of AeroCision’s world class Employees and Suppliers, and, his business partner Patrick Bromley.

“...Supplying Rolls-Royce is an honor and privilege. Our people and supply chain have demonstrated incredible resilience, flexibility and an unyielding devotion to 100% Quality and Delivery. We never give up, no matter what, and that attitude is what it takes to compete against the best aerospace firms in the world. AeroCision rewards teamwork within a unique environment where people genuinely care about each other. Our culture facilitates a natural employee interchangeability that assures top performance.”
